## TRAIL CLINICS

**BANFF ALBERTA CANADA**

**AUG. 6-10, 2011**

**Saddle up and Ride  
on one of our exciting  
high country adventures,  
with North America's  
#1 MULE CLINICIAN  
Brad Cameron**

Bring your mule and join Brad for five spectacular days of hands on trail training in the Canadian Rockies! We will take advantage of a wide range of training opportunities on trails with varying degrees of difficulty. Warner Outfitting ([www.horseback.com](http://www.horseback.com)) is our clinic host in this western, pack-in adventure for the hardcore backcountry rider.

Competent guides will pack your gear on mules, as we ride from camp to camp each day. Back country meals, comfortable tent camps, and unequaled scenery are all included. Roll your bed each morning and saddle up for another exciting day in Banff National Park!

Fee: \$1850 (includes GST) Entries are limited!  
For entries or more information call 406-369-5190

**BURNS, COLORADO**

**JULY 11-15, 2011**

Bring your mule and join us for five fun filled days of riding and learning in Colorful Colorado! Our hosts are Pat and Niki Luark ([www.luarkranch.com](http://www.luarkranch.com)) and we are based at their scenic Luark Ranch, above the Colorado River. Great meals and comfortable bunkhouses for you and spacious stalls for your mule are all included.

Under Brad's careful guidance, participants will learn how to handle many different obstacles with safety and confidence. We will be day riding out and returning to ranch headquarters each day. Rich history, great scenery, and lots of mule stories make this clinic an unforgettable experience!

Fee: \$1800 Entries are limited!  
For entries or more information call 970-653-4324
